Second Declaration by Inventor, William Dunn In Support of  
Petition For Filing By Other Than All Inventors Under 37 C.F.R. 1.47(a)

I, William Dunn, do declare as follows:

- 1) That I am an original and joint inventor in U.S. Application Serial No. 10/679,977;
- 2) That Keuk-Sang Kwon, a citizen of South Korea, whose address is #111-205, Woobangsincheonji Town, Seokjeak-myun, Chilgok-gun, Kyongsangbuk-do, Republic of Korea and Hyoung Yol Park, a citizen of South Korea, whose address is Jewwod APT 101-1109, Bisan Dong, Kum, City, KYUNG BUK, SOUTH KOREA are original and joint co-inventors in U.S. Application Serial No. 10/679,977;
- 3) That application Serial No. 10/679,977 was filed without inventor signature;
- 4) That during the third week of May, 2004, I traveled to South Korea and personally delivered to co-inventors Kwon and Park a Declaration, Powers of Attorney, a copy of the complete application and drawings as submitted to the USPTO, and an Assignment to American Panel Corporation for proper execution by the noted co-inventors;
- 5) That co-inventors Kwon and Park did not, at that time, execute the documents;
- 6) That since the third week of May, I have sent numerous e-mail communications, the most recent of which was sent in December, 2004 requesting that the documents be executed and returned to my attention for submission to the U.S. Patent Office;
- 7) That the co-inventors Kwon and Park have remained unresponsive and, to my knowledge, have not executed the Declaration, Powers of Attorney, and

Assignment documents;

- 8) That I have executed the attached Declaration;
- 9) That in view of the outstanding Notice to File Missing Parts issued by the USPTO, and subsequent Decision Refusing Status Under 37 CFR 1.47(a) it is my belief that the rights of the Assignee, American Panel Corporation, in the patent application would be lost by abandonment and/or the priority in the application would be forfeited unless the Petition for Filing by Other than All of the Inventors under 37 CFR 1.47(a) to which this Declaration is appended is granted;
- 10) That all statements made herein are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like, so made, are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States code, and that such statements may jeopardize the validity of the application and any patent issuing therefrom.
